SPECIAL EDITION: 2019 ROADCHECK

2018 International Roadcheck Results

44.5% of all out-of-service violations were for brake adjustment and brake systems.

BRAKES ALL OTHER VIOLATIONS

1 in 5

Level 1 inspections resulted in out-of-service violations

In the United States there were

60,321

Inspections conducted in the 2018 Roadcheck

The 2019 CVSA International Roadcheck will take place June 4-6. Are you ready?

To help you prepare, this month's newsletter is packed with information and products you can use to make sure you pass the inspection.

Last year's Roadcheck results are a great indicator of where you want to make sure you're prepared. 44.5% of all out-of-service violations in 2018 were for brake systems and adjustment.

Don't be the one in five level 1 inspections that resulted in out-of-service violations!
